PRO-BOLT LIMITED

Pro-Bolt Ltd is a family run business, based in the heart of England with a worldwide customer base that includes Castrol Honda Racing, Marc VDS, Air Kawasaki, Padgetts Honda, Seat Sport, Walt Disney (Signage Fasteners) and Lotus Cars. The company supplies products to the majority of the World and British Superbike Teams and now supply chassis builders FTR Moto and Suter Racing Technology in Moto 2.

From humble beginnings Pro-Bolt has grown to be recognised as the world's leading supplier of high quality and bespoke motorcycle nuts and bolts with an annual turnover in excess of £2 million and a distribution network that spans the globe.

Pro-Bolt need a law firm they can turn to with any question and know they'll get an answer quickly and cost effectively. Over the years they've built a great relationship with their lawyer at BPE. He's passionate about motorcycles and actually uses their products, so he really knows their business and their market exceptionally well.

It's not just about knowing the law, it's about knowing their business.

Working alongside the Directors and staff at Pro-Bolt, BPE has:

- Registered and negotiated the purchase of Pro-Bolt trade marks in the UK
- Advised on a wide variety of brand-protection matters, including the taking down of websites selling infringing products and shutting eBay stores selling unlicensed products
- Applied for trade mark protection around the globe, including in Europe, Australia and America
- Advised on the structure of international distribution arrangements
- Settled a potential trade mark infringement claim
- Provided support and advice in relation to employment matters
- Assisted in the restructuring of the company to enable it to operate more efficiently and profitably
